Full Itinerary

Day 1. Phnom Penh – Arrival, Sour Sdey “Hello” CAMBODIA

Fly into **Phnom Penh**, the city that retains its traditional Khmer and colonial charm. French villas along tree-lined boulevards remind the visitor that the city was once considered the ‘pearl’ of Southeast Asia. Recent political changes have triggered an economic boom, with new hotels, restaurants, bars and nightclubs springing up across the city. We meet our representative and transfer to hotel for check in. The balance of the day free for your own times in capital. Overnight in Phnom Penh.

Day 2. Phnom Penh’s Past & Present (B.L)

Visit to the **Royal Palace compound** build in 1866 by the Predecessors of King Norodom, is the most conspicuous feature and also one of impressive colorful Khmer-style Palaces. Nearside the Royal Palace is **Silver Pagoda** (The Emerald Buddha temple), display plenty of Buddha Statues that were decorated and made by diamond, emerald, gold and silver, continuing visit to **National Museum**, the distinctive red building with a beautiful Khmer architecture was build since 1917 and contains more than 5000 art objects made of sandstone, bronze, silver, copper, wood and others. Travelers will proceed to visit **Independence Monument**, which was constructed in 1954 after Cambodian took their country back from French colony. We will learn about the dark side of Cambodia – Its more recent turbulent and harrowing history. Initially you visit the **Toul Sleng Genocide Museum** (also known as S21), ironically a former school, located in a quiet Phnom Penh suburb, this was the infamous Khmer Rouge prison / torture center. We visit **Wat Phnom** is a Buddhist temple located in center of Phnom Penh City. It was built in 1373, and stands 27 meters above the ground. It is the tallest religious structure in the city. We will stop at **Central Market** is located in the heart of the Phnom Penh. The Khmer name of the market is **Phsar Thmei**, which translates to “**new market**”. The Central Market was built in 1937 during the French colonial period, in Art Deco style, and is painted bright ocher. We enjoy our **cyclo ride** along the riverside. This laid-back tour gives us a different perspective of the streets and sights of the city. We will enjoy a **cruise for view sunset** on the **Mekong and Tonle Sap River** (1 hour). Situated at the “**Four Arms**” where the Mekong meets the Tonle Sap River before splitting into tow branches, Phnom Penh offers the ideal location to discover the mighty Mekong. Overnight in Siem Reap.

Day 4. Angkor Thom & Ta Prohm & Angkor Wat (B. L)

After meeting our tour guide, then we drive to **Angkor Thom** that was the masterpiece of King Jayavarman VII. Following the occupation of Angkor by the Chams from 1177 to 1181, the new king decided to build an

impregnable fortress at the heart of his empire. We visit **Bayon Temple**. At the exact center of Angkor Thom, this is an eccentric expression of the creative genius and inflated ego of Cambodia's most celebrated king. From there we walk to **Baphuon**, once of the most beautiful temples at Angkor, dating from the reign of Uditayavarman 1 in the 11th century. We continue to visit **Terrace of the Leper King**. This intricately carved platform was the royal crematorium and the statue that was originally thought to be the leper king is now believed to be Yama, the god of death. We continue along the **Terrace of Elephants**, originally used as a viewing gallery for the king to preside over parades, performances and traditional sports. We also visit **Ta Prohm "Tomb Raider"** fame. Ta Prohm has been abandoned to the elements, a reminder that while empires rise and fall, the riotous power of nature marches on, oblivious to the dramas of human history.
